

Price Increase Notice

To our valued clients:

We at The Hair Company Cranleigh want to express our gratitude for your continued support and loyalty. It's because of clients like you that we've been able to grow our business and provide exceptional service.

Beginning on **4th March 2024** the price of our services will increase by **5%** on certain services. Existing and new appointments from that date forward will reflect the new pricing.

This increase is necessary in order to cover the increased cost of products and other business expenses, and to continue investing in our employees and equipment. We're confident that this price increase will enable **The Hair Company Cranleigh** to maintain the high standards you've come to expect and provide even greater value going forward.

We appreciate your understanding and support. If you have any questions or feedback, please don't hesitate to contact us!
